Unlisted group

LinkedIn

The LinkedIn Workshop credit is especially helpful for senior Scholars networking to find a job or relocate to a new area. LinkedIn is a social networking site (like Facebook) used primarily by business professionals to network with those of similar interests and to make connections that can provide job leads. This credit can be completed independently. For this credit, complete the following:

- Join LinkedIn at the following site: <http://www.linkedin.com/>
- Develop detailed profile (Be sure to use a professional photograph)
- Join HanoverCAN, Hanover's alumni career network. Click on this link to find the group: <https://www.linkedin.com/groups/1941874/>
- Email Sue Tilley at tilley@hanover.edu and let her know that you have asked to join the group
- Post a question you would like assistance with on the HanoverCAN discussion board
- Connect with 10 people

Simply let the BSP staff know that you have completed the requirements. We will confirm you have done so and give you a workshop credit.
